## President's Corner

Happy New Year .

This is my first article as President and one that I'm very excited to share with my Cape Arthur neighbors. I look forward to continuing the smooth transition from Tom Kearney's presidency to that of my own. One of the first duties of the year for any board is to put together a budget for the upcoming year. So for the next month or so there will be the cost estimates from all of the board members, numerous back and forth emails for follow-up information until all of the data is captured on an Excel spreadsheet that balances out our goals, expenses and income.

Many of you know me, but a few of you may not so let me catch you up to speed. I moved here with my wife Deanna about 13 years ago from Seattle (has it really been that long???). We basically traded the water views of Puget Sound for Chesapeake Bay. After a two year stint as Playground Chair and a current status as Beach Chair, I have taken on the role of President. Deanna has run the Fall Fest for a number of years, the Christmas Holiday Party, Easter egg hunt, Fourth of July

festivities, etc... So yeah, we've both been involved in the Cape Arthur life style. And somewhere along that time we have added two wonderful children to the family: Aidan (12) and Madeline (10).

I am a Data Analyst by profession and have a hobby of remodeling our house which has, so far, extended about 13 years now. Hopefully, the next hobby will involve less remodeling dust and more easy going like stamp collecting or wicker basket weaving. I'm open to suggestions.

Recently we have elected some new faces on the board and I'd like to welcome them and thank them up front for their time.

Nate Lavy - Piers  
Kristin Paddack - Social  
Molly O'Brien - Membership  
Michelle Passmore - Playground  
Tom Kearney - VP

Sincerely,

Brian Johnson  
President

## Girl Scouts Donations

Hello and Happy New Year!! We are SPMS Girl Scout Troop 10300 and we are looking for donations to support two amazing local non profit organizations. MAS Rescue and Rude Ranch.

**MAS Rescue** is a small, all volunteer group that is dedicated to helping unwanted shelter animals whose time has run out. MAS animals are cared for in volunteer foster homes and since 2005, MAS has rescued and placed over 5000 dogs and cats in loving forever homes. All animals receive veterinary care, and animals 22 weeks and older are spayed/neutered. The heartache of seeing animals in deplorable conditions is completely outweighed by the joy of seeing the same animals healthy and vibrant and adopted into the loving families they always deserved.

**Rude Ranch Animal Rescue Center** is dedicated to providing care and respite to abused, abandoned and special needs animals in our area. They also run the Spay and Neuter Nook that helps animals by providing high quality, low-cost spay/neuter and necessary veterinary services to help. Nationwide only about 30% of dogs and less than 20% of the cats turned into animal shelters are adopted or turned over to other rescues. As a result over 4.5 million animals are euthanized every year because they do not have a home. Most of these animals are young, healthy puppies and kittens that were the result of

unintended and unwanted litters of household pets. To prevent this needless waste of life, Rude Ranch supports an aggressive approach to spay/neuter, advocating the surgery for all household pets, barn cats, and strays in general. By preventing unwanted animals from being born, we will also reduce the strain on already tight agency and local budgets that must cover the cost of caring for and ultimately disposing of unwanted and homeless animals.

There will be a bin outside of 225 McKinsey Road for collections beginning this **Friday, January 4th through Friday, January 25th**. I have listed below items that would be very helpful for both organizations.

All donations are tax deductible. Thank you for your time and help to support these two wonderful organizations and our troop's goal of spreading the word to **Adopt not Shop** and promoting low cost spaying and neutering services. Thank you!!
